Transformative education offers teaching and assessment approaches well suited to addressing the social and relational aspects of care.

This 3-day intensive program will discuss why and how to engage in transformative education in the health professions. We will explore:
(1) Different paradigms for health professions education;
(2) Innovative ideas for teaching and assessing in a transformative way; and,
(3) Practical strategies for change.

We invite health professions teachers/educators, clinicians, administrators, leaders, scholars, and others to join us.

Registration will open soon. Spaces are limited. Fee is $1000CDN/person including materials and most meals.

Location: Women’s College Hospital, 76 Grenville St, Toronto, ON M5S 1B2
